

Emergency accomodation in the Westflügel

Adresses and Infos

Emergency accomodation:

The emergency accomodation is located at the Altes Stadion on KIT campus. More precisely in the first floor of the Westflügel.

Altes Stadion (south entrance)

Engesserstraße 17

76131 Karlsruhe

We do not recommend leaving your personal valuables in the dormitory.

Due to O-Phase noise disturbances can occur at night. If necessary you should bring hearing protection with you or ask the AStA.

Unfortunately, due to lack of keys, we cannot provide a key to each person. I or my colleagues will be available daily from 9:00-10:00 and 20:00-22:00 on site or in the office to unlock the dormitory.

You can also call or stop by the AStA office during the week. It would be optimal if all present try to coordinate and let each other in if necessary (Whatsapp group).

In case of an emergency you can also ring me via cell phone if the door is locked!
